America, the usa, and the free. We are lucky to be a free country, because other countries can't choose all that ~~can do~~, but in America lets us chose so we can have a different life, a free life. Our founding fathers helped us a lot in this. Thomas Jefferson and 5 other men wrote the Declaration of independence. So, ~~what~~ ^{What} would it be like without freedom? Well, I do not know. But my father was born in Havana, cuba. That place is **NOT** free. We are in war with ~~a lot of people~~ do not like, but, with all the bad going on we have God. And all we need to do when we need help is call on God, and to do that we need to pray, and on some of the dollars and coins it says **IN GOD WE TRUST.**
