

America, Land of the Free

A program of Charlotte County Government.

Imagine School, North Port, FL. (School)

Freedom is special to me because we can go wherever we want. I can play with my baby sister, Snanti. I can choose my school. I can choose my job. I can choose my house. I can choose my church. We have a choice to pick our leaders and president. Freedom makes me happy and comfortable. There is freedom in God, when we choose to praise him.
